

MACRO-INVERTEBRATE FAUNA OF FRESHWATER WETLANDS

Bellamya bengalensis

Bellamya dissimilis

Corbicula bensonii

Corbicula striatella

Digoniostoma cerameopoma

Digoniostoma pulchella

Gabbia orcula

Physa acuta

Lymnaea acuminata

Lymnaea columella

Lymnaea luteola

Parreysia olivaria

Parreysia caerulea

Parreysia favidense

Lamellidens marginalis

Gyraulus convexiusculus

Stenothyra spp

Stenothyra deltae

Succinea crassinuclea

Thiara lineata

Thiara tuberculata

Thiara scabra

Thiara granifera

Indoplanorbis exustus

Camptoceras lineatus

Camptoceras terebra

Novaculina gangetica

Chironomus sp

Lumbriculus sp.

Tubifex tubifex

Clinotanytus sp.

Oligochaete worm

Dipteran larva
