

**GLOBAL ENVIRONMENTAL CHANGE & SUSTAINABILITY:
TECHNOLOGY TRANSFER NEEDS FOR ASIA AND THE PACIFIC**

6-7 December, 2016

AGENDA

DAY ONE

**UNDERSTANDING THE GAPS AND NEEDS
FOR ASIA-PACIFIC REGION IN CONTEXT OF TECHNOLOGY TRANSFER**

- 08:15-08:45 REGISTRATION (outside of the main meeting room)
- 09:00-09:10 Introduction and Welcome: Mr. Hiroshi Tsujihara, Director, APN Secretariat
- 09:10-09:35 Participants' introduce themselves and a group photograph is taken
- 09:35-09:50 **Presentation 1:**
Dr. Linda Anne Stevenson, APN Secretariat and its interest in Technology Transfer for Developing Countries in the Asia-Pacific region: Background of APN and briefing on the objectives of the scoping workshop
- 09:50-10:10 **Presentation 2:**
Parimita Mohanty (UNEP-ROAP): Understanding the concept of technology transfer: Background, international/regional conventions/agreements, mandates of countries, the process of technology transfer from A to Z. In terms of both mitigation and adaptation, what is needed for technology transfer to take place?
- 10:10-10:30 **Presentation 3 via Skype**
Masako Ogawa, GEF: GEF's contribution to technology transfer in the past and currently (for example through the Poznan Strategic Program on Technology Transfer) and details of the sixth replenishment of GEF.
- 10:30-10:45 **Coffee Break**
- 10:45-11:05 **Presentation 4:**
Dr. Daniel Hersson, Asian Development Bank: ADB's contribution at the REGIONAL level - pilot studies on strengthening national and regional institutions and networks that can better facilitate climate technology transfer and deployment, and better national policies to promote climate technologies.
- 11:05-11:25 **Presentation 5:**
Dr. Girsih Seti, TERI, India: Case studies of technology transfer practice, lessons learned from what has and has not worked (challenges and opportunities)

11:25-11:45 Presentation 6:
Mr. Karma Tshering: APN Government Focal Point and CTCN Focal Point for Bhutan
perspective: Case studies of technology transfer practice, lessons learned from what has and has not worked (challenges and opportunities)

11:45-12:05 Presentation 7:
Dr. Kim Chi Ngo: APN SPG Member for Viet Nam: Case studies of technology transfer practice, lessons learned from what has and has not worked (challenges and opportunities)

12:05-12:30 General Discussion Session on Presentations

12:30-13:30 Lunch

13:30-13:40 Information on Break-out Sessions / Participants for each Session

Break Out Sessions: Technology Transfer in the Context of Mitigation & Adaptation to Climate Change

ONE: MITIGATION

TWO: ADAPTATION

GAPS and NEEDs in context of -
Barriers, challenges and opportunities for technology transfer including themes/topics on research and capacity development, science policy dialogue, syntheses, etc.

GAPS and NEEDs in the context of
Barriers, challenges and opportunities for technology transfer including themes/topics on research and capacity development, science policy dialogue, syntheses, etc.

13:40-15:10
Moderator: Kentaro Tamura (Japan)
Rapporteur: Carmel Gacho (Philippines)
Mahesh Pradhan (Japan)
Girish Seti (India)
Tomonori Ishigaki (Japan)
Joni Jupesta (Indonesia)
Shuzo Nishioka (Japan)
Naoki Mori (Japan)
Mustafa Moinuddin (Japan)
Takahiro Murayama (Japan)
Parimita Mohanty (Thailand)

Moderator: Lance Heath (Australia)
Rapporteur: Henry Scheyvens (Japan)
Roger Stone (Australia)
Karma Tshering (Bhutan)
Reji Hitsumoto (Japan)
Vanessa Vovor (Singapore)
Koji Kumamura (Japan)
Daniel Herson (Sweden) (ADB/Manila)
Dr. Sugahara (Japan)
Kim Chi Ngo (Viet Nam)
Osamu Mizuno (Japan)

15:10-15:30 Coffee Break

- 15:30-15:50 General Presentation from Group One
- 15:50-16:10 General Presentation from Group Two
- 16:10-16:50 General Discussion on Presentations and Expectations for Day Two
- 16:50-17:00 Closing and Housekeeping

DAY TWO

UNDERSTANDING THE GAPS AND NEEDS FOR ASIA-PACIFIC REGION IN CONTEXT OF TECHNOLOGY TRANSFER

- 09:00-09:30 **Dr. Linda Stevenson:** Overview of results of previous day's breakout sessions and discussion.
- 09:30-10:30 **Breakout session on stakeholder mapping, gap analysis on research and capacity development in the context of technology transfer.**

ONE: MITIGATION

Moderator: Kentaro Tamura (Japan)

Rapporteur: Joni Jupesta (Indonesia)

Kim Chi Ngo (Viet Nam)
Mahesh Pradhan (Japan)
Girish Seti (India)
Tomonori Ishigaki (Japan)
Joni Jupesta (Indonesia)
Shuzo Nishioka (Japan)
Naoki Mori (Japan)
Mustafa Moinuddin (Japan)
Takahiro Murayama (Japan)
Hiroyuki Iwamoto

TWO: ADAPTATION

Moderator: Lance Heath (Australia)

Rapporteur: Vanessa Vovor (Singapore)

Roger Stone (Australia)
Parimita Mohanty (Thailand)
Karma Tshering (Bhutan)
Reji Hitsumoto (Japan)
Vanessa Vovor (Singapore)
Koji Kumamura (Japan)
Daniel Hersson (Sweden) (ADB/Manila)
Dr. Sugahara (Japan)
Osamu Mizuno (Thailand)

- 10:30-11:00 Coffee Break

- 11:00-11:20 General Presentation from Group One
- 11:20-11:40 General Presentation from Group Two
- 11:40-12:30 Plenary Discussion: (1) Remarks and responses on presentations on presentations from groups; and (2) how to put an APN framework into operation, which includes:

formation of review groups and partnerships, timelines/roadmaps, communication strategy, monitoring and evaluation.

12:30-13:30 Lunch

13:30-14:10 Plenary Discussion: How does APN develop a comprehensive draft framework? While it is still unsure whether there will be funding for this, there may be some potential that can be fine-tuned into proposals with partners for global, regional multi-lateral/bilateral joint initiatives.

14:10-14:30 Final remarks from participants and formal closing.
