

Global Energy Essay Contest 2013

Building the next generation of leaders in sustainable development

Essay Topic

The United Nations General Assembly unanimously declared 2014-2024 as the *Decade of Sustainable Energy for All*, underscoring the importance of energy issues for sustainable development and for the elaboration of the post-2015 development agenda.

Taking inspiration from this, we would like students to write a 1,200-1,500 word essay addressed to UN Secretary General Ban Ki-moon on the following topic:

“A Vision for the Decade (2014-2024) of Sustainable Energy for All”

Prizes

- First and Second place winners will receive US\$1000 and \$500, respectively as well as an invitation to attend the Global Energy Conference at the United Nations headquarters from December 11-12, 2013. Airfare, accommodation and travel visa to New York will be covered.
- The First place winner will also have a speaking opportunity during the award presentation ceremony.
- Certificates for the top ten finalists
