

# SDGs International Forum for Achieving Carbon Neutrality and Realising a Decarbonised Society

**Regional Efforts Leading the World to the Realisation of a Decarbonised Society  
—Creation of a Regional Circular and Ecological Sphere (Regional-CES) (Local SDGs)  
through Local Production and Consumption of Energy—**

- Carbon Neutrality and the SDGs, which aim to realise a sustainable society, are common goals of the world.
- Through the sharing of the principles of the SDGs and the exchange of advanced initiatives and knowledge in various fields, this Forum aims to help residents and business operators in Hyogo Prefecture deepen their awareness of the regional efforts to achieve carbon neutrality.

## Date and time

Friday, 23 December 2022,  
13:30-16:00 (JST)

## Venue

Lasse Hall 2nd floor, Blanche Rose Room  
(4-10-8 Nakayamate-dori, Chuo-ku, Kobe City)

## Forum method

Hybrid (on-site/online), Japanese-English  
simultaneous interpretation provided

## Capacity

60 people at the venue, 300 people online  
(first-come-first-served basis)

**Participation is free of charge**

- ※ We appreciate your cooperation in wearing a mask at the venue.
- ※ Depending on the COVID-19 situation, the Forum may be held online only.

## Governor of Hyogo Prefecture

### SAITO Motohiko

Born in Kobe City, Hyogo Prefecture in 1977. After graduating from the University of Tokyo, he joined the Ministry of Internal Affairs and Communications. In addition to his work within the ministry, he has experienced working at various local governments, such as Sado City in Niigata Prefecture, Iitate Village in Fukushima Prefecture, Miyagi Prefecture, and Osaka Prefecture. In August 2021, he became the 53rd Governor of Hyogo Prefecture.

## President of IGES

### TAKEUCHI Kazuhiko

Project Professor of the Institute for Future Initiatives at the University of Tokyo. He has also served as Acting Chair of the Central Environment Council of Japan's Ministry of the Environment and a Visiting Professor at United Nations University Institute for the Advanced Study of Sustainability. He has received various awards, including the Ichimura Prize in Science against Global Warming for Distinguished Achievement, and the MIDORI Academic Prize. He specializes in sustainability science.

**Organisers:** Hyogo Prefecture, Asia-Pacific Network for Global Change Research (APN)  
Institute for Global Environmental Strategies (IGES)

**Sponsor:** Hyogo Environmental Advancement Association
