## **Abstract Guidelines**

*(The research paper must be solely focused on Circular Economy)*

### **1. Title of Paper**

### **2. Corresponding Author**

This should include the full names of authors, their affiliations, addresses; email address, and contact number.

### **3. Abstract**

In one paragraph of 300 words or less, indicate the significant aspects of the entire paper in a prescribed sequence that includes: 1) the overall purpose of the study and the research problem(s) you investigated; 2) the basic design of the study; 3) significant findings or trends found as a result of your analysis; and, 4) a brief summary of your interpretations and conclusions.

### **4. Keywords**

Please include three keywords for your abstracts
